THE WORLD'S FIRST ULTRASOUND TOOTHBRUSH CLEANS AND WHITENS IN JUST 1 MINUTE.

D. New The Ulireo Ultrasound is the only toothbrush to utilize ultrasound waveguide technology alongside precisely tuned sonic bristle action for the most complete home tooth cleaning system you will find. The sonic bristles create bubbles that pulsate at an exact ultrasonic frequency for optimal plaque removal. 95% of hard-to-reach plaque is removed within the first minute of brushing. The Ulireo has also been clinically proven to remove stains at the gumline after 14 days of use. Set includes one ultrasound brush head, ultra-compact charging base, waveguide protector, travel caddy, owner's manual, and 2-year warranty.

PROFESSIONAL JEWELRY CLEANING SYSTEM.

G. New Your jewelry deserves the same pampering you give yourself with this heated cleaning bath. It's safe for all stones. Either soak in a specially formulated cleanser to remove dirt and grime (for soft stones) or with the press of a button, use an effervescent electro-chemical cleaning process that uses a patented 6V DC current to bubble away dirt. Finish off with a pressurized moist steam cleaning rinse for perfectly clean and shining results. Comes with cleaning powder, measuring spoon, tweezers, strainer, and polishing cloth.
